Our high level of Search Engine Exposure

REALESTATEGUIDE.COM.AU started its operations in Byron Bay, NSW in 1999 and has received continuous growth in popularity due to our down to earth, non commercial attitude and most importantly, the results we are providing for our advertisers. The results being achieved come from 9 years of hard work and a diligent focus on delivering dominant search engine exposure. We receive thousands of daily property searches worldwide. We have years of experience in Internet property advertising that demands a high standard of presentation and dominant search engine placements. We offer you value for your money. We market all our properties through the Internet with care and attention. We are here to help present and expose your properties to your buyers the best way possible.

Don't just take our word for it - **Trial us for 90 days For FREE!**

We genuinely understand the importance of you receiving a return for your advertising dollars. That is why we offer a **3 month FREE trial**. When your trial has expired you can either cancel your account if you are not satisfied or continue advertising with a low monthly account and no ongoing subscription or contract....ever!

Other Agents have tested us and receive quality buyer leads

I have been involved in marketing my properties through REALESTATEGUIDE.COM.AU now for around 12 months. During this time I have been more than happy with the high exposure on Google the properties are receiving. I would recommend REALESTATEGUIDE.COM.AU above any other portal I have placed my properties on as the enquiries have been successful and the attention to my requirements has been second to none.
